SDB 334 Inland Spud Barge

Specifications

- Price: \$ 295,000
- Type: Inland Spud Barge
- Dimensions (LxWxD): 125'x50'x8'
- Year Built: 1962
- Hull Type: Steel
- Flag: US
- Location: East Coast US

The barge was built as a tank barge and the deck was reportedly reinforced for service with a crane on deck in addition to adding two additional longitudinal corrugated non watertight bulkheads in way the two midbody compartments. In addition the hull was reduced from 12' depth to 8' depth. The hull is divided into (6) compartments by (3) transverse and one partial length longitudinal steel bulkheads. The hull is fitted with four approx. 27" x 27" internal spudwells.
